OK 3. You noted on the memo from OLC regarding Senator Glenn's visit at the Agency tomorrow that you wanted to meet with him. Senator Glenn will be here in the a.m. tomorrow. The action officer in Senator Glenn's office is out today and thus we were unable to settle on a time in the morning for him to call on you. I expect a call from him in the morning. I have scheduled you to go to after the SCC on Iran in the morning. Your choice -- you can go to and I'll call when I get a time, or you can come on out to the Agency after the SCC.
